

Status of the SubWG1 on Brake Testing

Marián Rybianský
(TESTEK, a.s., Slovakia)

Main WG and SubWGs: Proposed Concept of Work

- The main WG establishes its SubWG and defines tasks for it
- Based on the tasks defined by the main WG, the SubWG manages its own agenda
- The main WG may decide about amendments to the SubWG agenda
- The SubWG informs the main WG about the progress
- All the outputs of the SubWG are submitted to the main WG for approval
